

DENON DHT-S216

SOUND BAR WITH DTS VIRTUAL:X AND BLUETOOTH®

UPGRADE TO IMMERSIVE HOME THEATER SOUND

As you would expect from the market leader in AV receivers, Denon transforms any TV into a home entertainment center with the DHT-S216. The low-profile, wall-mountable sound bar features Dolby Digital Decoding and DTS Virtual:X 3D audio technology to create a powerful home theater surround sound experience. Fully compatible with today's HD and 4K TV's, the built-in 4K UHD HDMI (1 in / 1 out with ARC) delivers clear images and amazing sound quality. Quickly connect your TV, Blu-ray or other devices through the HDMI (with Audio Return Channel) and Optical inputs, or easily stream your favorite music via Bluetooth. With two built-in down-firing subwoofers powering dynamic theater-quality audio in a minimal, low-profile design, you won't have the need for a separate subwoofer.

HIGHLIGHTS

YOUR BENEFITS

Upgrade to 3D sound	Boost your home theater experience for TV, movies, music and more when you upgrade to the DHT-S216 sound bar
Full-range sound bar	With a full driver array and built-in, down-firing subwoofers, you get the superior sound quality you want from a sound bar without the need for a separate subwoofer
4K UHD HDMI with Audio Return Channel	Experience exceptional sound clarity through one single HDMI connection to your TV
Low-profile design and wall-mountable	At 2" (60mm) tall, the DHT-S216 fits in most spaces and won't block your TV's bottom edge like larger sound bars do
Wireless music streaming via Bluetooth	Quickly and easily enjoy your favorite music from your Bluetooth-enabled smart device
Denon Dialogue Enhancer	Enjoy crystal-clear dialogue while watching movies and TV shows with complex audio soundtracks
Optical digital audio and HDMI 4K UHD inputs	Effortlessly connect your Blu-ray, gaming console or other device
4K HDMI and Optical cable included	Simply connect a single cord to your TV and enjoy immersive audio for every entertainment experience
Amazing audio built on 100 years on innovation	Denon is the defining audio company of Japan. Founded in 1910, we enable the moments that matter through the relentless pursuit of quality, innovation and audio performance.

DENON 100+ YEAR "LEGACY OF FIRSTS" IN AUDIO TECHNOLOGY

Upgrade to 3D Sound

With two built-in down-firing subwoofers, dual mid-range drivers and tweeters, you'll enjoy an amazing movie and TV show audio experience when you upgrade to Denon premium-quality sound.

3D Audio with DTS Virtual:X

With DTS Virtual:X, the DHT-S216 uses advanced psychoacoustic algorithms to realistically simulate a multi-channel home theater surround sound speaker system. Enjoy enhanced bass, crystal clear dialogue, and enveloping sound thanks to virtual height and virtual surround.

Universal Compatibility

The DHT-S216 works with any* Smart, HD and 4K TVs. Use the included HDMI cable to send audio from your Smart TV and other connected sources to the DHT-S216 via the HDMI Audio Return Channel (ARC). Using HDMI also enables control of the Denon DHT-S216 via your TV's remote control.

Wireless Music Streaming

Easily stream your favorite music directly from your smart device to your sound bar via Bluetooth.

4K HDMI with Audio Return Channel

Send the audio from the streaming apps built into your smart TV and other sources with 4K UHD HDMI (1 in / 1 out with ARC). Supports 4K/60 Hz and HDCP 2.2 and a single HDMI cable (included in box).

Dolby Digital Decoding

With Dolby Digital Decoding, enjoy surround sound simulation from Blu-ray, game consoles and your TV's streaming apps.

Denon Dialogue Enhancer

Denon Dialogue Enhancer improves dialogue intelligibility with three different modes — ideal for movies and TV shows. You can even turn up the dialogue without having to adjust overall volume.

Low-Profile Design and Wall Mountable

At 2" (60mm) tall, the Denon DHT-S216 fits in most spaces and can be placed in front of your TV without blocking your TV's bottom edge. It's also easy to wall mount with the included mounting template.

Bluetooth Compatibility

Your favorite tracks at your fingertips. Pair your smartphone or tablet with the DHT-S216 to easily stream music via Bluetooth.

Sound Mode for Any Occasion

With three different sound modes — movie, night, and music, you can choose the perfect mode for any occasion.

Easy Setup and User Experience

Quickly connect the DHT-S216 sound bar to your TV with the supplied HDMI cable or via the Optical input. Once connected via HDMI ARC, you can seamlessly control the sound bar volume with your TV remote.

Amazing Sound Built on 100 Years of Innovation

As Japan's first audio electronics manufacturer with a deep legacy of firsts -- Denon is the defining audio company of Japan. Founded in 1910, we enable the moments that matter through the relentless pursuit of quality, innovation and audio performance.

We innovate for a better experience.
